AGENDA

June 1 - June 24

NEW IN TOWN

Lennehan & Marantz, the brainchild of the people behind the esteemed bespoke furniture company George Smith, have set up shop in Southampton, selling high-quality club chairs and sofas at much gentler prices, along with an array of carefully edited antique and vintage home accessories. All upholstery is available from the floor or to order, with fabrics ranging from crisp Belgian linen to soft mohair velvet; ask about the shop's in-house interior design services, too. *44 Main St., Southampton, 631-899-4535.*

READ THIS

Ever wonder what it's like to be a decorator? In this wonderfully personal, anecdote-filled account, New York City interior designer and Hamptonite Scott Sanders describes how he went from a kid scribbling pictures of fantasy interiors to a polished professional with an enviable client roster. His terrific early drawings are both touching and telling; several riveting chapters document a fascinating soup-to-nuts house installation. From *HC&G* contributing editor Suzanne Slesin's Pointed Leaf Press (\$65), Sanders will be signing copies of the book on June 5 at a party co-sponsored by *HC&G* at English Country Antiques, *26 Snake Hollow Rd., Bridgehampton, 631-537-0606*
