## The Most Inspiring Design Books of All Time

25 of our favorite decorators, landscape architects, and artists tell us which titles helped them think, see, and dream. (A few may surprise you.)

### In the Pink: Dorothy Draper, America's Most Fabulous Decorator

BY CARLETON VARNEY

Draper broke the rules—with big, bold patterns; overscaled furnishings; whimsical colors—while maintaining elegance and sophistication. She created opulent spaces with a story.

—Jaime Rummerfield and Ron Woodson, interior designers, Los Angeles
