Makes You Cry

Delicious Summer Reads

Fun!

FASCINATING!

THRILLING

HOT

MEMORABLE!

What's your favorite flavor?

No matter, because we've got 'em all: refreshing histories, nutty novels, and love stories that will make you melt. Take a lick—oops, look—at our truckload of literary treats. Bet you can't pick just one.

Susan Roy

BOMBOOZLED
HOW THE U.S.
GOVERNMENT
MISLED ITSELF
AND ITS
PEOPLE INTO
BELIEVING THEY
COULD SURVIVE A
NUCLEAR ATTACK

Gimme Shelter

The safe houses
of yesteryear.

It's not funny...but it is.
In **BOMBOOZLED**
(Pointed Leaf), author
Susan Roy pairs
illustrations with incisive
commentary to reveal
just how deluded we
used to be about
prepping for the all-too-
thinkable nuclear attack.
Advertisements featured
women in dresses and
heels happily waiting out
Armageddon with their
families in fallout
shelters. Or, as the spin
doctors of the time put
it: "in the family room of
tomorrow." —*K.H.*
